

Little Rabbit Foo Foo

Sleepy Bunnies

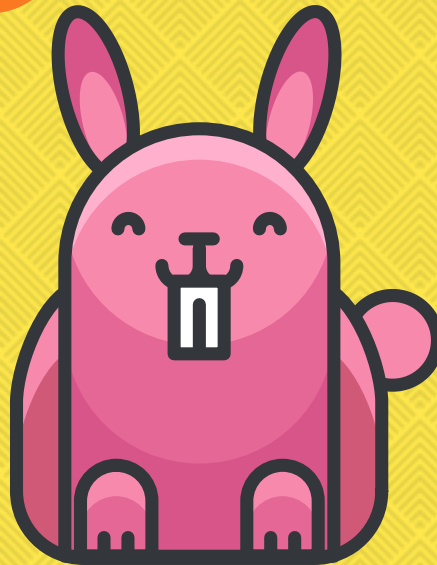

Little Rabbit Foo Foo is a bit naughty, wouldn't you say? Some better behaved rabbits can be found following the link to the video below.

shorturl.at/ijLFG

Can you hop, jump and skip like the bunnies?

Bingo

Can you match the symbols of the characters from the story? You could play bingo with the symbols provided on the website! Be sure to wave or shout when you win!

Goblins! (or gnomes!)

Gnomes are normally found in the garden. Ask an adult to print some pictures of garden gnomes and hide them. Then go on a gnome hunt and see if you can spot any hiding from Little Rabbit Foo Foo?

Mark making

Create a tiger face collage by tearing and sticking orange tissue paper to a paper plate. Then take a black felt tip or marker pen and draw some vertical lines to make the stripes. If you don't have tissue paper or a paper plate, use orange card/paper or print an orange rectangle onto paper.
