Make a cake

Little Red Riding Hood makes a cake for her grandma. Practice your stirring and pouring skills and make some cupcakes.

How many cakes have you made?

Mark making

Using the flour from your cooking, dust a flat surface or tray. You can put the flour on top of tin foil if you want to see your marks more clearly. Using your finger, draw grandma's cottage by copying or tracing an adult's marks. Draw a map to help Red find her way.

Create a bouquet of flowers

Using paint and fork printing make a bouquet of flowers you can give to grandma just like Red.
