1

Water cycle videos

Watch the water cycle video and water cycle song. Talk about what you can see and hear in the videos. Can you tell someone at home about the water cycle?

2

Signing practice

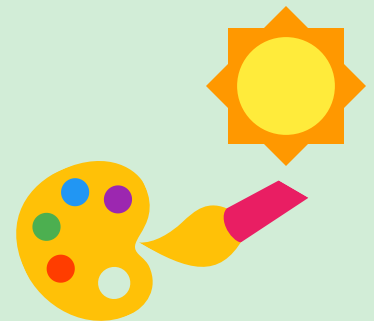

Look at the PowerPoint to see the water cycle signs. Practice the signs - can you use them in the water cycle song?

3

Water cycle art - the sun

You could use paint hand prints, collage, a paper plate, threading or bun cases and buttons to make a sunny picture. Which one will you choose? Look at the PowerPoint for ideas.

4

Frozen banana yogurt bites

Follow the recipe on PowerPoint to make these yummy snacks. They are a great sweet but healthy treat! Can you serve this snack and a drink to someone at home?
