

Easedale's Home Activity Ideas

15.06.2020

Reading and Listening Activity

Read the book *The Ocean* and talk about the different animals that live under the sea. Can you count them? Can you say what they look like? Watch the sounds of the sea video. Listen and look very carefully. What can you see and hear? Can you describe a visit to the seaside you have been on?

Water Cycle Art - The Sea

Look at the PowerPoint for ideas of how to make some sea themed art work. You can add any natural objects you might have in the house collected from the seaside. Have you got any shells, sand or pebbles? Could you collect some if you can take a walk at the seaside?

Phonics Activity

Use the link to log in free to Phonics Play. Use the resources area of the website to play lots of fun online games to help with phonics and spelling.
