

# Easedale's home activity ideas

18.05.2020

1

## 3D Shape Art

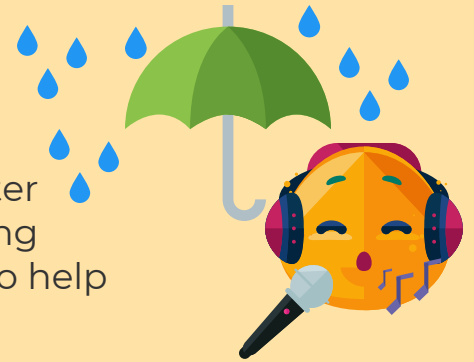

Search your recycling at home for containers and packaging to make a piece of 3D shape art. Can you identify and describe the 3D shapes in your art work? See the PowerPoint for ideas.

2

## Water and Music

Look at the PowerPoint for your next water themed song. Practice singing and signing along. Use the signs on the PowerPoint to help you.

3

## Growing Plants

Remember to look after your plant and see how it is growing and changing. Can you label the parts of a plant and talk about what you can see?
