Next, follow Beth's step by step guide to create your very own kit and African drumming sounds! This can be found in the download section.

African sunset

Create an African Sunset using yellow, orange and red paint. Copy or trace an adult making large strokes across the page. Use watered down paint or regularly dip your paintbrush in water to make a smudged effect.

Giraffe print

Tear pieces of yellow and brown paper. Arrange and stick them down to make a print just like a giraffe.

You could try and find pictures and videos of giraffes first to help you.

Cooking

With the help of an adult follow the recipe to make Chin Chin; a popular West African fried pastry dish.
