

Easedale's Home Activities

02.04.2020

#1 Numeracy

Play hide and seek. Hide yourself or hide different objects. Say where you were hiding e.g. "I was **under** the bed", or direct someone to find the object e.g. "Take two steps **left** and look **down**." Make and play a game of 'pin the tail'. See the PowerPoint for ideas.

#2 Helping at Home

Help an adult to do jobs around the house like washing up and cleaning.

Can you say or write the instructions for how to do each job?

#3 Reading

Remember to read and practice the words you are learning every day.

Enjoy sharing a book. Can you point to the full stops, question marks and capital letters as you are reading?
