

Plants and animals are everywhere and they are all very different.

Let's take a look at the plants and animals right on your doorstep.

Do the minibeast dance!

Follow the links to wiggle like a bee and dig for worms!

Listen to a story

Listen to the story 'Caterpillar shoes'.

What minibeasts do you see?

Use the internet to find real life videos and pictures of the minibeasts!

Plants and animals in our environment

Make a mini wormery

Use the link and follow the steps to make a wormery. Watch them wiggle and burrow down.

Minibeast hunt

On your daily walk or in your garden take a closer look. Try turning over some stones to see which minibeasts you can find. Use the minibeast hunt checklist to help.

Do you dare to carefully place one on your hand?

Nature collage

Collect some twigs, leaves and flowers.

Smell, feel and look at the items you find.

Create a minibeast or a garden scene with the natural objects. Stick it on a piece of paper or just lay it out on the floor.

Please see next page for website links.
