

Easedale's Home Activity Ideas 04.06.2020

Fractions Halves and Quarters

Follow the links on the PowerPoint to watch the videos about halves and quarters.

Can you practice making halves and quarters?
You could cut paper shapes, playdough, fruit, vegetables, pizza or fairy cakes.

Remember to make the pieces equal (the same).

Reading Big Rain Coming

Read the book *Big Rain Coming*.

Talk about the book with someone at home.

Challenge – Can you write each day of the week on a bit of paper and put the days in order?

Can you match pictures of the weather to the pages in the book?

Can you keep a record of what the weather is like each day this week?

Rain in a Jar Experiment

Follow the instructions on the PowerPoint to make colourful rain in a jar.
Talk about what you can see.

Do you remember where rain (precipitation) fits into the water cycle?

Tip: You can mix everything together when the experiment has finished and use it like water colour paint to make a painting.
