## Fairy wand

Can you choose a stick from the garden and create a fairy wand? Attach some ribbon and some glitter to make it sparkly. Can you grasp the wand and wave it like the goof fairy?

## Wiggly Worms

Cook some spaghetti and place it in a tray or on a table. Use your hands to explore it. What does it feel like? Can you fill containers with the spaghetti, and tip it out again?

## Fairy Wings

Tear wrapping paper, tissue paper or coloured card into small pieces. Stick these to the template of the fairy wings, which you'll find on the school website, to create your own fairy wings.
