

Going shopping

In Coniston, we have been reading our own personalised book called 'Going Shopping'. This is a recount of our trip to Aldi. Read the book using the PowerPoint link.

Whilst reading through the book sing some related songs such as 'Wheels on the bus' and 'Oranges and lemons'.

Go on a fruit hunt. Hide fruit around the house and when you find them see if you can name them.

Follow the actions and pretend your driving on the bus. See link.
<https://bit.ly/2UqKMHF>

Practice your cutting skills and make a fruit salad. Smell and taste them as you go. Which ones do you like? What colour are they?

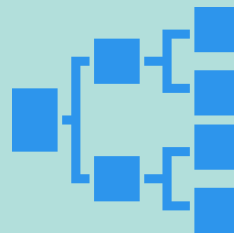

Can you point to all the different objects when named e.g. banana, orange, bus.

Place 5 pieces of fruit in a line and count them out loud.

Can you name your friends?

Can you match the fruit? Sort them into the different fruits or by colour.
