

We are always Learning

We have been reading Stanley's Stick in Derwent. Stanley's stick can be a saxophone, fishing rod, telescope...in fact it can be anything he wants it to be!

Listen to the story together

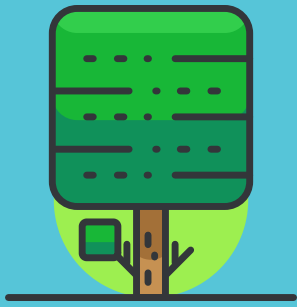

Watch the story of Stanley's Stick together on Youtube using the link! You can pause as you go along and talk about each part.

<https://youtu.be/HfluIQaOLiY>

Find a stick

Find a stick at home and see what it can be. Can it be a dinosaur with a loud raw? Can it be a whistle on which to play a tune? Can you make it into a fishing rod to catch a big fish?

Stanley's Stick Activities

Let your imagination run wild!

Counting

Can you collect a few sticks and count them up?

Can you take one away and count what is left?

Can you line the sticks up in order of size?

Make a sun dial

Can you plant the stick in the garden and watch the sun change the shadow as it moves?

Write your name

Can you write your name in mud or on the ground?

Can you make your name from the sticks you have collected?
