

Easedale's Home Activities

26.03.2020

#1

Health Science

Look at pictures from when you were a baby, toddler, small child and teenager. How you have changed?

#2

Literacy

Follow instructions to make a tasty treat in the kitchen. Can you spot the **time connectives** and **bossy verbs** in the instructions?

#3

Numeracy

Find a toy and put it **in, on, under, next to and behind** another object. Tell an adult where it is.

Draw a maze and move a toy through it describing the direction e.g. **left, right, forwards, backwards.**

#4

Be helpful

Do one thing everyday to help out at home e.g. make your bed or help tidy up and clean.

The pencil is **under** the pan.
