

Easter Activities

Singing

Listen to the spring and Easter related songs. Join in if you can and copy the makaton signs.

Let's move!

Watch the Let's move video's and copy the actions.

Spring picture

Create a spring picture using the CBBC picture maker.

Spring hunt

For your one daily exercise go on a walk. See if you can find the items on the spring hunt checklist. If you are unable to get out, can you see some of them from your garden? Otherwise, go online and search for pictures or videos.

Easter nests

Follow the recipe to make some chocolate Easter nests. Practice pouring, stirring, measuring and naming the ingredients. If you don't have shredded wheat you can use rice crispies or cornflakes.

Nature rabbit

Go outside and collect some natural objects such as leaves, stick and stones. Use your imagination and create a rabbit using these materials.

Easter Card

Use paint footprints and finger prints to create a Easter card for someone. Name the body parts as you paint them. How many fingers and toes do you have? Can you name the colours that you use? Write inside it. Can you give it to the person it is for?

Egg hunt

Draw and cut out 10 eggs using paper. You could decorate these if you wanted. Number each one and hide them around your home or garden. Go and find them! Identify the number each time you find one. When you have found them all sequence them from 1 - 10.

Spring Park Scene

Look at the spring park scene. The adult should talk about what they can see in the picture. What is happening? Can you point to the different objects as an adult names them.

Counting

Complete the online counting game. Can you give the teddy the correct amount of eggs.

Watch a video

Watch the video about Easter. Name the Easter related objects when you see them. Watch out for the chicks, daffodils, lambs and eggs.
