

# Easedale's Home Activities

30.03.2020

#1

## Art - Weaving

We have been weaving in school. Can you weave with different materials at home? Ribbons, natural materials or strips of old material are all good. Look at the PowerPoint for ideas.

#2

## Literacy

Make a snack and drink. Talk through the instructions as you make the food.

Can you say the *time connectives* and *bossy verbs* in a funny voice?

#3

## Reading

Remember to read and practice the words you are learning every day. Enjoy sharing a book or make a cosy den to curl up in and read to yourself.
