

We will design a new music curriculum that will support your communication, musicality and increase your exposure to different musical experiences

We will have a new range of wellbeing interventions to help you understand your emotions

We will teach you about your rights and how to stand up for yourself

School Improvement Plan 2019-2020

We will have a new kitchen and serving area to support you in developing new skills at lunchtime

We will provide you with more time to share books and stories and buy exciting new books for everyone
